

FACTS, VIEWS & VISION

in ObGyn

Volume 15 — Number 3 — September 2023 — Quarterly

EDITORIAL

Evidence based and experience-based medicine, which comes first: the chicken or the egg?

B. ATA, E. SARIDOGAN 189

OPINION AND PERSPECTIVE

Minimally invasive pelvic exenteration for gynaecological malignancies: the challenge of patients' selection

N. BIZZARRI, V. CHIANTERA, M. LOVERRO, A. ERCOLI, G. VIZIELLI, G. SCAMBIA 193

ORIGINAL ARTICLES

A proof of concept that experience-based management of endometriosis can complement evidence-based guidelines

A. WATTIEZ, L. SCHINDLER, A. USSIA, R. CAMPO, J. KECKSTEIN, G. GRIMBIZIS, C. EXACOUSTOS, W. KONDO, C. NEZHAT, M. CANIS, R.L. DE WILDE, C. MILLER, A. FAZEL, B. RABISCHONG, A. GRAZIOTTIN, P.R. KONINCKX 197

Efficiency based updating of evidence based surgical guidelines - Experiences from a multidisciplinary guideline upon Minimally Invasive Surgery

F.H.M.P. TUMMERS, S.F.P.J. COPPUS, B.W. LAGERVELD, A. DEMIRKIRAN, E.S. VAN SCHROJENSTEIN LANTMAN, T.A. BROUWER, W.A. DRAAISMA, F.W. JANSEN 215

Development and validation of GLVS (Generic Laparoscopic video scoring system), a tool for assessment of laparoscopic skills in gynaecology using videotaped procedures: Are edited videos representative of their full-length version?

S. KHAZALI, A. BACHI, T.T. CARPENTER, A. MOORS, K. BALLARD 225

Long Term Sexual Outcomes of Mayer Rokitansky Küster Hauser Syndrome Patients After Uncu-modified Davydov procedure

K. ASLAN, T.B. GURBUZ, A. ORHAN, I. KASAPOGLU, K. OZERKAN, G. UNCU 235

Implementation of robot-assisted myomectomy in a large university hospital: a retrospective descriptive study

M. TAHAPARY, S. TIMMERMAN, A. LEDGER, K. DEWILDE, W. FROYMAN 243

Perspectives on training in obstetrics and gynaecology during the COVID-19 pandemic: Thematic analysis of trainee responses from a pan-European survey

H. KHATTAK, F. BROEKHURST, G. TOPCU, A. HORALA, M. HENRIQUES, H. WOODMAN 251

An institutional study: Does Body Mass Index influence surgical approach, surgical morbidities, and outcomes in endometrial cancer patients?

P. ESPAÑOL, A. LUZARRAGA, N. TEIXEIRA, C. SOLER, R. LUNA-GUIBOURG, R. ROVIRA 259

SHORT COMMUNICATION

Practice of laparoscopic prolapse surgery in Europe – ESGE Survey

B. LAMBERT, L. DE LANDSHEERE, GK. NOÉ, R. DEVASSY, H. FERREIRA, J. DUBUISSON, J. DEPREST, R. BOTCHORISHVILI

..... 269

STUDY PROTOCOL

vNOTeSHC : Hysterectomy by transvaginal natural orifice transluminal endoscopic surgery versus laparoscopic for large uteri: study protocol for a multicentre randomised controlled trial

J. DRUENNE, E. PRESLES, T. CORSINI, S. CAMPAGNE LOISEAU, S. CURINIER, A. MANSOUR, G. LAMBLIN, Q. REBOUL,

C. CHAULEUR 277

VIDEO ARTICLES

Isthmocele correction: resectoscopic, laparoscopic or both?

C. SMET, B. NOGUEIRA, D. VILARINHO, I. RODRIGUES, J. REIS 283

ISSN: 2032-0418
